

Practical Nursing Program (PN)
2016 Application Checklist

The following must be completed and documented in the applicant's file before being considered for admission to the PN program. Please check that each area is complete upon application submission.

- Complete a Utah State University (USU) Admissions Application and be accepted, if not a current or past USU student. Please note there is a \$50 application fee.
- Completed PN application with non-refundable \$30.00 application fee submitted at time of application.
- Complete Permission for Release of Information.
- Provide email addresses of three references.
- Submit all official college transcripts; or high school or GED verification to USU Admissions.
- TOEFL score non-native English speaking students.
- Proof of a satisfactory score on the ATI TEAS exam submitted. If you have passed the ATI TEAS exam within the last five years, you may use that score or retest to try to improve your score for more points.

Each of the following prerequisite courses must be completed with a grade of "B-" or better.

- BIOL 2320 Human Anatomy
- BIOL 2420 Human Physiology
- Chemistry
 - CHEM 1010 Introduction to Chemistry or
 - CHEM 1110 General Chemistry I and CHEM 1115 General Chemistry I Laboratory*
- ENGL 1010 Introduction to Writing: Academic Prose
- FCHD 1500 Human Development Across the Lifespan
- Statistics
 - STAT 1040 Introduction to Statistics or
 - STAT 1045 Introduction to Statistics with Elements of Algebra or
 - STAT 2000 Statistical Methods

*CHEM 1115 not required, if not offered.
